### A VOICE PROM THE RANGE.

Our live stock contemporary plants its "Hoof" under the acting governor's left ear, while it gently pokes its "Horn" into his side in the following manner: "The lapse of time shows that there was "The lapse of time shows that there was a make, our by her death her 382 feet, when the ground was sum a method in Governor Zulick's madness defense." It also says "his hide is identity has been revealed to be Mrs. frozen as hard as a rock. In 1841 the when he launched his now famous pronunciamento against the stockmen of eroses," and that "Mr. Cleveland, if he lived in New York City all her life. The Southern Arizona who proposed to equip is wise will ask his Attorney General to other day while about to board a street and from these data it was estimated that at their own expense a band of rangers to step down and out." take the field in defense of settlers who were then being ruthlessly murdered by Geronime's renegade band of cut-threat

Apaches. But recently appointed to fill as shown by his recent decision, permitthe Gubernatorial chair, C. Meyer Zulick at that time strove by maligning the people of Arizona to curry favor with the ple of Arizona to curry favor with the strong from tax of the ple of Arizona to curry favor with the strong from tax of the ple of Arizona to curry favor with the ple of A Indian ring at Washington, to hasten whisky for a year, Garland's friends his confirmation, fearing that if long delayed favorable action would never be taken on his appointment by the senate.

Constitution is most significant. There Recent developments have proved the is a very loud cry for Garland to get out is in the boasted humanitarian States of correctness of his views in this respect at -Philadelphia News. least, and in the face of facts now before the senate there is but little doubt but what his name will be rejected and another and a better man appointed to man's position we should have appointful the high office which he has turned ed George Hearst Senator of the United into ridicule by his quixotism. The influential source from which the charges independent of party, we would have against Zulick have been given to the appointed Jeseph Hoge, Esq. Had we have said. If you believe what the counservices were held at the grave. Had this unknown tramp been killed in the verdict will be for the plaintiff; but if on would, is the New York Herald a journal too prominent and reputable to let any consideration, save the public welfare, consideration, save the public welfare, involve it in a discussion with such a character as our acting governor. The character as our acting governor. The charges which the Herald makes against charges which the Herald makes against him are multitudinous, involving chicanery winked at by the law, and chica-nery of a more questionable character. national councils than Mr. Hearst.— mentalists of the East as ruffians and Among the charges is malfeasance in Argenaut. office of a description that even Arizona can find no parallel for, together with attempted ballot box stuffing to secure his election as surrogate of Newark after being overwhelmingly defeated at the polls. A short review of this recruiting colonel's (?) careeras a mining manipulator of Sonorain mines is also given, with an account of his ingenious methods of "roping-in" friends to his profit and their financial discomfiture. The bined with nerve it would have enabled him to have earned fame and fortune in any role in the hunton line. Ver this in any role in the bunko line, Yet this Mr. Stanley, with one of his vivid ground, placed a plank where the log in any role in the bunko line, Yet this is the man who represented the people of Arizona—and especially the stock—men—as lawless and insurrectionary when they dared to arm themselves against the brutal savages who were against the brutal savages who were murdering and mutilating men and desolation in their forays through the its tail that knocks him over, and be is

now disgraces? Impossible!"

therewith make a very pretty little story down, and that is all." About ten years ago Barney was manage ing a theatre in Louisville, Ky. At that time Mary Anderson was suffering from a severe case of stage-stroke, and had done something in amateur theatricals, but she wanted to blossom out as a professional star. Impelled by this desire she called upon Barney and told him that she called upon Barney and told him that the play "Juliet." Barney the age of 71. Mr. Moore is an unbersultan sheep that will shear 12 and dress mutten sheep that will shear 12 and dress the services. a week, and resorted to all sorts of stratlast he told her that if she would go out detut he would furnish the company and bring her out. "I'll do it." replied Mary with an air of determination, "How long an you give me?" "Oh, you can take a year," said Barney, glad to get rid of her so easily. Mary went to work with made the acquaintance of Henry Watterson and other Louisville editors. unfolded her plans, and, as a Kentucky girl appealed to their vaunted chivalry. They gave her a rattling introductory notices, and then Mary went ahead peddling tickets. She made a canvass of nearly all Louisville, visiting stores, offices and private residences, until she had every seat in the house sold, save those in the gallery. Barney McAuley was dumfounded to find that the girl had taken him at his word, but pleased with her pluck and perseverance, he kept his part of the contract, even going York for a company to support Mary. William Griffiths, at that time a very popular young actor, played "Romeo" to her "Juliet," and her first appearance died of delirium tremens in a New York hospital. Griffiths, who played "Romeo" on the occasion of Mary Anderson's
